

The image features a solid red background. On the left, there is a large white circle with a subtle gradient. Inside this circle, the word "AVIZVA" is written in a bold, red, sans-serif font. To the right of the circle, there are several concentric, semi-circular arcs in a lighter shade of red, creating a sense of motion or a stylized 'V' shape. The overall design is clean and modern.

AVIZVA

**A Healthcare
Technology Organization**

vizcare **ai**

Agentic AI. Built into the core of VIZCare

Designed to **understand**, **orchestrate**, and **execute** healthcare payer processes.

Intelligence You Can Trust

Ensures agents access only authorized information and actions through role-based controls and workflow rules

Private, Secure & Compliant

AI runs within your environment.
Your healthcare data stays there.

Agentic

100+ Agents. Purpose-Built for Payer Intelligence.

The Embedded Intelligence

Purpose-built

Designed around payer-specific processes, rules, terminology, and workflows

Context-aware

Understands data, history, policies, and context to make informed decisions

Collaborative

Works across multi-step processes and collaborates across workflows

Action-oriented

Moves beyond recommendations to initiate and execute workflow actions

Governed

Built with controls, auditability, human oversight, and enterprise-grade governance

Make every engagement seamless and impactful with natural conversations - that automate workflows, resolve inquiries in real time, and reduce operational load.

Why is my current invoice amount higher than previous months? Can you show me exactly what changed compared to the last invoice?

Absolutely, let me break it down for you.

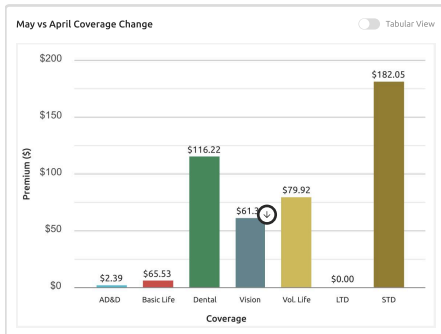

Summary - As per your records, Your current invoice for May 2025 is \$162,899.59, which is \$4,732.81 higher than your April 2025 invoice of \$158,166.78.

Below are the reasons for the same:

Several new members were added this month, and a few employees upgraded their coverage tiers (like moving to Employee + Family for Dental).

- 3 new enrollments
- 2 employees changed dental coverage tier to Employee + Children (+\$40.00)
- Termination: 1 member left, causing a minor offset in Medical but net increase overall

The largest dollar increases came from STD (Short-Term Disability) and Dental coverages. Most increases are due to higher enrolled lives in several plans.

If you want I can explain these to you or provide you with a summary?

Thanks for the breakdown. Can you show me exactly who the 3 new enrollments are and which plans they enrolled in?

Sure. The 3 new enrollments for May 2025 are:

- John Doe: Enrolled in Medical (Employee + Spouse), Dental (Employee), Vision (Employee + Family)
- Priya Kumar: Enrolled in Medical (Employee), Dental (Employee), STD
- Miguel Fernandez: Enrolled in Medical (Employee + Children), Dental (Employee + Children), LTD

These new additions contributed to the increased invoice amount.

If needed, I can also provide a view of all enrollments and changes in a month-over-month format for easier comparisons
